

Organizational Structure

1. Purpose of the **Executive Committee**: To advise on proposed strategies and priorities of the Center, as well as opportunities to maximize collaborations across U-M. Meets every 4-6 months. The Center Director reports to the Executive Vice President for Medical Affairs and the Provost.

Co-Chairs: Susan Collins and Marschall Runge	
Members	U-M Unit
John Ayanian	IHPI / Center for Global Health Equity
DuBois Bowman	School of Public Health
Anne Curzan	College of Literature, Science, and the Arts
Alec Gallimore	College of Engineering
Patricia Hurn	School of Nursing
Joe Kolars	Center for Global Health Equity
David Lam	Institute for Social Research
Laurie McCauley	School of Dentistry
Jonathan Overpeck	School for Environment and Sustainability
Lynn Videka	School of Social Work

2. Purpose of the **Leadership Team**: To inform the strategic approaches discussed within the advisory boards and (more importantly) to operationalize tactics. At present, this team consists primarily of Challenge Group Leads (i.e., faculty groups formed to operationalize thematic priorities of the Center). This team meets monthly.

Chair: Joe Kolars	
Co-Chair: John Ayanian	
Members	U-M Unit
Paul Clyde	School of Business, William Davidson Institute
Andries Coetzee	African Studies Center, LSA
Joe Eisenberg	School of Public Health
Cheryl Moyer	Medical School
Bhramar Mukherjee	School of Public Health
Laura Rozek	School of Public Health
Kathleen Sienko	College of Engineering
Akbar Waljee	Medical School

3. Purpose of the **Internal Advisory Board**: To advise on the implementation of strategic priorities and design of tactics in order to maximize collaborative opportunities with those who may not already be connected to global health initiatives. Some overlap/redundancy with the Executive Committee is intended so as to build a community of practice across U-M and abroad. This group will meet every four months, with co-chairs TBD.

Members	U-M Unit
Matthew Boulton	School of Public Health
Steve Ceccio	College of Engineering
Rebecca Cunningham	Office of the Vice President for Research
Dee Fenner	Michigan Medicine
